SUMMER CORRESPONDENCE PROGRAM 2010

Sponsored by Troy Continuing Education

GRASP is a summer correspondence program in reading and mathematics which was developed by curriculum specialists in the Grand Rapids public schools. ***The curriculum is aligned with MEAP, state, and national standards.*** Students will receive their packet of 9 modules before school is dismissed for the summer. Students complete each module and mail it to The Scoring Center where it is evaluated. The results are then returned to the participants.

Student grades K-8

9 weekly lessons

READING & MATH

***It is recommended that students register for grade just completed.
All material will be sent home with the child the last week of school.***

AWARDS!

- Students who successfully complete seven lessons will receive a Certificate.
- Students who complete nine lessons will receive an Academic Award Medal.

PARENT INVOLVEMENT

Parents should plan to spend approximately one hour per week assisting their child with directions and completion of the units; the instruction sheet accompanying each packet provides all of the necessary information.
