Nature's Art!

An Elementary Art Exploration

For students going into 2nd through 5th grades

June 28 - July 2
1:00 pm - 4:00 pm
Martell Elementary School

Artists throughout time have been inspired by the tremendous beauty of nature. During this exploratory class, students will discover how nature can inspire a piece of art. Students will explore traditional art materials as well as the use of recycled, ecologically friendly materials. This week of art-based fun will stretch creativity, stimulate the imagination, and strengthen artistic skills while students create natural art.

FOR STUDENTS GOING INTO 2ND AND 3RD GRADE

Create a nature print using elements found from the outdoors while practicing drawing, painting and collage.

FOR STUDENTS GOING INTO 4TH AND 5TH GRADE

Create a natural landscape and sculpture while exploring new materials and approaches.

Tuition: \$75

Materials Fee: \$15

See back page for session #'s to use for registration

MARCH 1 - Registration begins (www.troyceonline.com)

JUNE 14 - No refunds after this date. \$10 fee for each drop/transfer

Elementary Summer Learning Adventures

For students going into 1st through 5th grades

Monday, July 12 - Friday, July 30, 2010 (three week session/15 days)
9:00 am - 12:00 pm, Monday - Friday (NEW!)
Bemis Elementary School

Troy School District's exciting Adventures in Learning program is offered to students going into grades 1st through 5th grade. This multi-disciplinary, project-based approach to learning is modeled after our popular PACE (Program for Accelerated and Creative Education) program and is suitable for students of all ability levels and interests. The critical skills of reading, writing, math, science and problem solving will be imbedded in each of the following fun and exciting themes.

Final projects will be presented on the last day. Parents are welcome to attend.

We have added enhanced parent communication, featuring weekly newsletters!

Students Going into 1st Grade

The Zoo Express

Hop on The Zoo Express and ride into the fascinating world of animals. In this session students will learn about the characteristics and needs of various animals. Students will also get a behind-the-scenes look at life in a zoo.

Helpers in My Community

Welcome to our neighborhood. Kindergarten students will learn about the important people who keep their neighborhoods safe and running smoothly. Students will have the opportunity to meet and talk with special visitors from the Troy community.

Students going into 2nd and 3rd Grades - ***New Themes!***

Archeology!

Do you love dinosaurs? Become an archeologist and "dig" into prehistoric times!

Imagination Investigation

Be a detective and use your investigative skills to solve mysteries. Nate the Great, Encyclopedia Brown and Cam Jansen have nothing on our own Troy investigative team.

Students going into 4th and 5th grades - ***New Themes!***

Wild Safari

Take a safari into the rainforest. This session begins with the safari ride and ends with the discovery of the wild and exotic safari animals living deep in the jungle.

Out of this World

3-2-1 BLAST OFF into the space frontier for a bird's-eye view of Earth. Explore zero gravity, make moon boots, sample space food and explore other exciting space adventures.

Tuition: \$225 (three week session/15 days)

Materials Fee: \$15

See back page for session #'s to use for registration

MARCH 1 - Registration begins (www.troyceonline.com)

JUNE 29 - No refunds after this date. \$10 fee for each drop/transfer

Jump Start!

Math and Reading Adventures Camp

For students going into 1st through 5th grades

Extended
Learning Links
Provided!

NEW!!

Classes will be separated by grade level!!

NEW!!

Monday - Thursday, August 9 - 19 (8 day session)

9:00 am - 12:00 pm

Available at Hamilton for the West Side Schools (Bemis, Hamilton, Leonard, Martell, and Schroeder) and at Costello for the East Side schools (Barnard, Costello, Hill, Morse, Troy Union, Wass, and Wattles).

Journey down a path of math and reading reinforcement with engaging activities that are specifically designed to give students a jump start for the new school year.

Students will participate in activities that develop and review skills in math and reading through technology, small group instruction, and engaging lessons. Ignite student learning while building individual confidence in math and reading. Be ready for a great adventure of summer learning that will prepare you for the beginning of a new school year.

Weekly updates with extended learning opportunities have been added!

Classes will
be separated
by grade level!

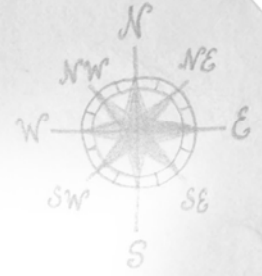

Tuition: \$125

See back page for session #'s to use for registration

MARCH 1 - Registration begins (www.troyceonline.com)

JULY 12 - No refunds after this date. \$10 fee for each drop/transfer
