Summer Sensation is an enriched, full-day child care program throughout the summer months. The program is designed around theme ideas. Throughout the week children have an opportunity to do arts and crafts, play games, cooking, play outdoors, science exploration, enriched academic support, participate in water play, computer activities, sports and more!

The C.A.R.E. Company plans weekly field trips (usually on Wednesdays) during the summer. Locations include activities like: museum visits, water parks, sports activities, roller-skating, zoo, and more!
